Warden urges unity

Lyle McKnight honoured for his efforts

Haliburton County's 111th warden, Lyle McKnight, was honoured Friday evening as his one-year term in the appointed office nears its end. McKnight, the reeve of Anson, Hindon and Minden, was praised by past warden Bill Howe as "a typical nice guy" and "a fine man" who is "congenial and has the right outlook".

In a brief speech following a banquet at Minden's community centre attended by area politicians, county associates and members of the McKnight family, Howe noted that the job of warden "is not an easy thing at the best of time". The pace is hectic and the numerous social commitments, committee meetings and council sessions leave little free time, Howe said.

Throughout the year, the warden showed himself to be "very, very good at holding his temper" and was "a good ambassador for the county," Howe said.

As well as the praise, McKnight was subjected to some gentle ribbing, particularly about his golfing abilities (or lack of them), which were demonstrated at the official opening of PineStone Inn's 18-hole golf course in late August. As a memento of the occasion, McKnight was presented with a framed photograph which originally appeared in the Echo showing the warden making one of the first official drives.

In his response to Howe's speech, McKnight said he had found it "an honour and a privilege to serve as warden".

He began his term "full of apprehension, ideas and hopes for the county," the warden said. The year in office gave him an insight into the tensions that exist in relationships among municipalities, and showed him that "we must work very hard to keep our county together," McKnight said.

"Perhaps we have become too complacent," the warden said, adding that all county council members should become more involved and work together "to keep our county number one".

The past year was also one of "controversy and Chamber (of Commerce) bashing," McKnight said, adding that he hoped everyone will now get behind the organization, particularly since a new building is under construction to replace the old office on Highway 35 at Minden.

McKnight also thanked members of Anson, Hindon and Minden council for "picking up the slack" while he was busy with county duties. And he congratulated county clerk Winn Lahay on winning the Highlander of the Year honour, describing her as "a dedicated, hard-working and efficient lady".

In concluding his address to the gathering, McKnight paid tribute to his family for their "inspiration and encouragement, and to his wife Linda for her support and tolerance of the demands of the job."

Others who spoke at the banquet included Maurice Watson, who brought greetings on behalf of Victoria County; Jack Whitney, warden of Hastings County; MP Bill Scott, and Dysart et al reeve Murray Fearrey, who introduced other past wardens on hand for the occasion. These included Holly Sisson, Charles Brandon, Sinc Nesbitt, Roy Windover, Reg Booth, Bob Vick, Keith Tallman, Jim Harrison, Ron Gambell and Bill Howe.

A new warden will be chosen in November, and will take over the office for a one-year term.

Settlement mirrors a mood of restraint

Board ratifies contract with teachers, workers

The Haliburton County Board of Education has ratified salary agreements with its elementary school teachers and the Canadian Union of Public Employees, local 142.

The elementary school teachers will receive a total compensation package increase of five per cent, with 3.7 per cent of that total being added to the salary grid. The other 1.3 per cent is made up of money that will go to teachers who were not able to advance on the grid because of government wage restrictions which have since been lifted, adjustments in fringe benefit costs, and increases for teachers who have upgraded their qualifications.

Salaries under the new agreement will range from \$20,993 for a first-year teacher with minimum qualifications to \$44,916 for a

teacher with maximum qualifications and 11 years teaching experience.

CUPE local 142 members, who include custodial staff and school secretaries, have been working without a contract since January of this year. Under the two-year agreement ratified by the board last Tuesday they will receive a five per cent wage increase, or 47 cents an hour across the board, retroactive to last January. In the second year of the agreement, wages will be increased by 75 cents an hour across the board.

The board also agreed last Tuesday to give its teachers' aides an increase of five per cent in their hourly rate of pay.

Negotiations between the board and secondary school teachers are still underway.

Acid rainfall to be focus of conference

Minden council has agreed to absorb the community centre rental costs for an acid rain conference to be held this weekend. The two-day conference is being organized by Minden's Katimivik group under the leadership of Chris Niles.

Up to 300 people are expected to take part in the conference, including Katimivik groups from many other Ontario communities.

The two-day event will feature eight keynote speakers, displays, debates and films. Topics to be covered at the conference range from the economic impact of acid rain to the liming of Muskoka lakes. Guest speakers include Ron Taborek of Ontario Hydro, Dr. John Casselman of the Ministry of Natural Resources, Sheila Hatch, Mayor of Muskoka, and Sonia Holiday-Rhodes of Minden.

MP Bill Scott has been invited to officiate at the opening ceremonies, and Frank Miller, MPP for Muskoka has been invited to attend the closing ceremonies on Sunday afternoon.

Support from the community has been "fantastic" Niles told council Thursday night. Katimivik participants will sleep in a number of community buildings, while guest speakers will be billeted in local homes.

Haliburton County Warden Lyle McKnight addresses the audience following a banquet Friday night in Minden to mark the end of his one-year term in office. The county's 111th warden was praised for his steady temperament and dedication to the public good.

Historical Society submits proposal

The Haliburton County Historical Society has submitted a proposal to the Kanawa International Museum Society to house the museum's collection of canoes and watercraft at a new location.

The October 1 submission was the culmination of several months of research and meetings by the board of the historical society. Meetings also were held with the Kanawa Board and its chairman.

If the County Historical Society's proposal is accepted by the Kanawa

board, the collection will be relocated in a facility to be constructed in Glebe Park on Head Lake. This site was chosen by the local historical society earlier this year.

It is not known when the Kanawa Board will make its decision but indications are that it may be in late 1985 or early 1986. Society members will make an oral presentation of their proposal at a meeting of the Kanawa Board on November 17.

While the Kanawa museum pro-

posal has been a major focus of the county historical society, the organization wants to tackle other historical projects as well. A general meeting for all society members and other interested citizens has been set for Thursday, November 8 at the Haliburton Highlands Secondary School cafeteria. Two presentations will be made on items of local historical interest. Suggestions also will be sought from the public with regard to other matters the historical society should pursue.

Ontario scholarships were presented to the top Grade 13 students at HHSS. The winners were, from left: Susan Milne, Karen Gillespie and Jamie Bennett. The three received certificates and \$100 from the province. The scholarships were presented by MPP John Eakins.

Top students win scholarships, prizes

Dozens of scholarships and other prizes were presented to the top students at Haliburton Highlands Secondary School on Saturday night at the school's annual awards ceremony and banquet.

Parents, relatives and friends of the students filled the gymnasium to capacity as plaques, trophies and cash awards totalling several thousand dollars were handed out.

Three students earned Ontario scholarships for completing their Grade 13 studies with an overall average of at least 80 per cent. Provincial member of parliament John Eakins presented the scrolls and \$100 cash prizes to Jamie Bennett, Karen Gillespie and Susan Milne.

Eleven students also were named to the Haliburton Highlands Honour Society for having had honours standing throughout their high school careers. Certificates marking the achievement went to Carol

Anderson, Lori Dunham, Lisa Jones, Robert MacLeod, Maryann Madill, Lisa Malott, Michael Parish, Kathleen Shipley, Signe Tashlin, Kathleen Walsh and Karen Wright.

Two students also were singled out for their contribution to the academic and athletic life of the school. Marla MacNaull and Signe Tashlin were presented with school letters for their consistently high level of academic achievement and their involvement on school teams.

Rounding out the evening was the presentation of awards to scores of students who achieved distinction in various ways, including perfect attendance, high academic averages and outstanding marks in individual subjects.

Honours students

Honour plaques and bars were presented to students who obtained honours standing in the 1983-84 school year.

Year 1 honours students are: Richard Beers, Lynn Bibby, Gina Brohm, Christopher Bunker, David Clouthier, Andrew Cooper, Laura Cross, Ginger Elliott, Judy Finlay, Darryl Goodall, Tammy Hughes, William Hutchings, Gary Lewis, Thomas MacLeod, Karen Madill, Helga Meyers, Stephanie O'Brien, Michelle Parish, Lynda Pickett, Jeffery Popple, Lucy Postlethwaite, Pamela Rivers, Lyle Robinson, Clifford Smith, Ruth Stouffer, Lesley Tashlin, Lindsey Tashlin, Sharon Thornett, Darren Whittaker, Lisa Williams, Gordon Wood and Corinne Zorjen.

Year 2 honours students with one year honours are: Tina Anderson, Peggi Ann Bowman, Lori Bull, Nancy Clement, Lori Cooper, Marilyn Cully, Melissa Emmerson, Cindy Hofland, Avery Hutchings, Grant Loucks, Christopher Miscio, Brenda Lynn Moore, Susan Peel, Megan Stitt, Sandy Sutherland and

Wendy Ward.

Year 2 students with two year honours are: Stephanie Bain, Gail Barnhart, Michael Blake, Ian Cooper, Kevin Cowan, Jodi Dillon, Gregory Foran, Jennifer Gentle, Anthony Hartin, Andrea Johnson, Kimberly Mumford, Emma Postlethwaite, Tanya Rosenberg, Barry Scully, Jamie Stata and Leanne Thomas.

Year three students with one year honours are: Paul Aggett, Gordon Blanchard, Shirley Bryant, Deborah Denault, Jeffrey Howe, Jacqueline Mawbey, Jon Orpana, Jeanette Pilcher and Marilyn Walker.

Year three students with two year honours are: Peter Allor, Susan Ballantyne, Paul Cowen, Dawn Cummings, Thomas Eager, Randall Grant, Donald Miller and Rhonda Wilson.

Year three students with three year honours are: Paul Allor,

Police news

Police say it may be an appropriate time to explain again the Zenith 50,000 telephone system. Since the Minden detachment office is closed from midnight to 8:00 a.m., there is seldom an officer present during those hours to answer in-coming calls. Closing the detachment enables those officers on duty to be on patrol throughout the county rather than tied to the office.

To enable residents to reach police during these closed hours the "Zenith 50,000" program was instituted several years ago. If, anywhere in the province of Ontario, the telephone operator is asked for Zenith 50,000 the call will be connected to the nearest 24 hour detachment. In this area, calls go to Lindsay OPP detachment where the dispatcher in turn contacts the Minden officer and apprises him of the original call. To reach Minden OPP detachment by telephone: between 8:00 a.m. and midnight call 286-1431; between midnight and 8:00 a.m. dial "0" and ask the operator for Zenith 50,000.

Sentenced

Peter John Austin, age 20, of

Compromise found on sewer line repair

A compromise has been reached on the cost of repairs to a sewage main line crossing Haliburton County Board of Education lands adjacent to Haliburton high school.

The work was carried out this summer by the municipality, which blamed the board for the blockage, claiming it was caused by rock fill placed in the area when tennis courts were constructed at the school.

Trustee Paul Wilson, who is a professional engineer told the board in September that it was impossible to establish with certainty why the blockage occurred, and suggested a cost-sharing arrangement between the board and the municipality be negotiated.

Wilson reported to the board last Tuesday that Dysart has agreed to share the repair cost equally.

RR2, Haliburton, appeared in Minden Provincial Court on October 24 and was convicted of breaking into Curry Motors and stealing a vehicle, of dangerous driving and of breach of probation. He was sentenced to 13 months in jail. In addition, upon his release, he must reimburse Curry Motors with \$1,500 within 12 months.

Michael MacInnes, age 17, of Haliburton, was convicted of breaking into Nancy's Flower Shop and the Haliburton Pharmacy and was sentenced to 60 days in jail. James Richard Austin, age 16, of Haliburton, has already been convicted and sentenced for these offences. Shaughan Wilson, age 20, of RR2, Haliburton is being sought in connection with the break-ins. Austin is currently at large, having failed to return to prison from a temporary absence pass.

Cottage break-ins

Cottages and tool sheds on Peach Lake in Stanhope Township were broken into sometime within the past two weeks. Outboard motors, chainsaws, tools and fishing equipment valued at \$3,000 were stolen. Bolt cutters were used to cut the padlocks. The incident is currently under investigation.

Fatality

Stephen Joseph Elliot, age 21, of Cardiff Township near Wilberforce, was killed October 25, when the 1974 pick-up truck he was driving left the roadway, crossed a ditch and struck a rock-cut. The accident occurred on Highway 648, 1 km. north of Wilberforce at 10:00 p.m. Elliot was alone in the vehicle at the time and was not wearing a seat-belt. It is not known why the truck left the roadway. He was taken by ambulance to Haliburton Hospital but was pronounced dead shortly after arriving.

Break-in

During the early morning hours of October 25, persons unknown broke out a window at the Reflections Restaurant on Highway 118 in Carnarvon and gained entry. An estimated \$2,000 worth of liquor and food were stolen. PC Mike Maher, assisted by the Identification Unit at District Headquarters in Peterborough is investigating.

Haliburton County Warden Lyle McKnight is shown in a reflective moment as he speaks to invited guests at the banquet that was held in his honour Friday

night. Beside the warden is past Warden Bill Howe, reeve of Bicroft Township, who acted as master of ceremonies for the evening.

Citizens make Neighbourhood Watch work

By
CONSTABLE GARY CHAPMAN

Neighbourhood Watch, the crime prevention program, seems to be becoming entrenched as part of Haliburton life. No formal statistics are kept, but there appears to be a definite upswing in the amount of calls received from area residents reporting suspicious persons and activities.

An example occurred early Monday when a Carnarvon Neighbourhood Watch member phoned at 5:40 a.m. to report a possible break-in in progress at a neighbour's. The interior lights had gone on and off and a doof appeared ajar. The occupants were known to be away. Two officers from Minden detach-

ment responded, checked the residence, found everything to be secure and informed the caller accordingly. There is no stigma attached to reporting a suspicion that turns out to be a false alarm. In fact, the call was quite justified and is just the type of call residents are encouraged to make. By responding to these calls crimes will be prevented and criminals will be apprehended.

One recent occurrence however, stands out as an example of the Neighbourhood Watch concept not being applied. A week ago, on Saturday morning, a local youth stole a brand new expensive car from Curry Motors and for almost three hours roared through the streets of Haliburton

Village and surrounding area squealing tires and awakening most of the population. It wasn't until near the end of this rampage at 7:04 a.m. that any calls were received by the police. When the Minden officer arrived at 7:36 a.m. the stolen car had been abandoned. Fortunately the culprit was located and arrested and has since been convicted.

In order to be effective, the Neighbourhood Watch concept must be applied at all times. In obvious cases, such as Saturday's event, residents must not assume other persons are contacting the police. Each resident must take it upon themselves to notify the authorities.

Board makes plans for gifted students

The Haliburton County Board of Education has begun planning for a gifted students' enrichment program to be implemented next September.

The program is mandatory under the provisions of Bill 82, which made sweeping changes in the boards' responsibilities for gifted and learning disabled students.

Director of Education Stuart Baker told trustees last Tuesday that Ministry of Education official Roger Hendron, who authored a recent study of gifted programs across the province, will meet with county principals in November to discuss the topic. A working paper also is being prepared by J. Douglas Hodgson Elementary School principal Doug Devolin and teacher Shareon Chatfield, and will be presented to principals in December.

Purpose of the meetings will be to devise policy which ultimately will have to be approved by the board. Matters to be addressed include at what level gifts programs should begin, how staff will be allocated to the programs, and whether itinerant teachers should be used, the director said.

Cost of implementing the enrichment program will have to be considered in the 1985 budget, Baker told trustees.

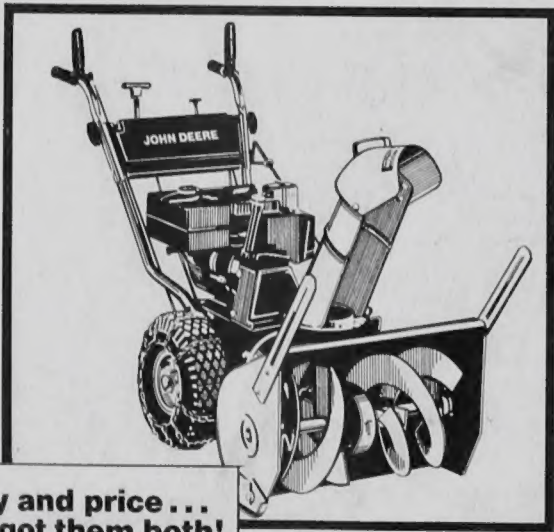

Hunt problem free

No major problems were experienced during the local moose hunt, according to a spokesman for the Ministry of Natural Resources. Eric Mitchell said the number of hunters appeared to be down from the previous hunt in 1982, and there were "no known incidents" of hunters mistaking game.

Mitchell said the apparent drop in the number of people taking part in the hunt may be the result of the new validation tag program, which was not operating for the 1982 hunt.

The number of moose killed also appears to be down from 1982, although totals will not be known until reports from area hunting camps can be studied.

Students win awards

from page 1

Cathy Craftchick, Gayle Higgins, Leonard Johnston, Anita Kuno, Gregory Lodenquai, Paul Milne, Lori-Ann O'Brien, Todd Powell, Sean Salvatori, Sean Saunders, Michael Sawyer, Miriam Smith, Barbara Taylor, Gary Vanderstarren and Suzanne Vuksic.

Year 4 honours students with one year honours are: Patricia Higgins, Warren Perry, Kirk Thayer and Lianne Whitfield.

Those with two years honours are: Kelly Cummings, Kay Foster, Karen Medcalf, Gregory Pearson, Sherry Sheehy, Jeffrey Smith and Kevin Warburton.

Year 4 students with three years honours are: Tracey Jarrett and Timothy Wessell.

Those with four years honours standing are: Carol Anderson, Lori Dunham, Lisa Jones, Robert MacLeod, Maryann Madill, Lisa Malott, Michael Parish, Kathleen Shipley, Kathleen Walsh and Karen Wright.

Year 5 honours students are: Two years honours, James Bennett; three years honours: Glen Clarke, Marla MacNaull, Paul Mayo and Karen Smith; four years honours, Signe Tashlin; and five years honours, Karen Gillespie and Susan Milne.

Perfect attendance

Students with perfect attendance also received awards. Those honoured for one year are: Crystal Anderson, Kirby Bagg, Richard Beers, Karen Cook, Lori Duguay, Judy Finlay, Darryl Goodall, Kenneth Kreller, Carole Lacey, Derek Little, Lloyd MacDuff, Thomas MacLeod, Karen Madill, Richard McGee, Marion Medcalf, Robert Parish, Kelly Reynolds, Melvyn Ridgewell, Graham Robinson, Eoin Ross, Sandy Sutherland, Charles Teljeur, Melanie Way, Timothy Wessell, Gordon Wood and Corinne Ziorjen.

Students with two years perfect attendance are: Gregory Foran, Anthony Hartin, Alexander Little, Miriam Smith and Stephen Smith.

Those with three years of perfect attendance are: Teri Burroughs, Paul Cowen, Lori-Ann O'Brien, Michael Sawyer and Kevin Smith.

Students with four years of perfect attendance are Kathleen Shipley and Karen Wright.

Year 1 and 2

Next on the program was the presentation of Year 1 and Year 2 awards. Prizes and winners were:

The Sherman Taylor Award, prize of \$50 and an engraved trophy: Darryl Goodall, History 90%, Geography 87%.

The Canning Lake Property Owners' Association Award, prize of \$50 and an engraved trophy: Emma Postlethwaite, English 89%.

The Laurie Bacon Memorial Award, prize of \$25: Marilyn Cully, English 80%.

The Eagle Lake Women's Scholarship for A2 Geography, prize of \$50: Jennifer Gentle and Emma Postlethwaite, Geography 81%, \$25 each.

The Eagle Lake Women's Scholarship for G2 Geography, prize of \$50: Sandy Sutherland, Geography 80%.

The Year 1 French Award, prize of \$25: Thomas MacLeod, French 96%.

The Year 2 French Award, prize of \$25: Jennifer Gentle, French 93%.

The Archie Stouffer Memorial Scholarship for A2 Science, prize of \$50: Barry Scully, Science 87%.

The Archie Stouffer Memorial Scholarship for G2 Science, prize of \$50: Robert Mifflin and Sandy Sutherland, Science 84%, \$25 each.

The Jim Cooper Scholarship, prize of \$25: Thomas MacLeod, Mathematics 96%.

The Wendy Schell Memorial Scholarship, prize of \$50: Susan

Peel, Mathematics 85%.

The M. R. Herlihey Technical Scholarship for Year 1, prize of \$75: Ernest Kleihauer, Shop Theory and Practical 82%.

Year 3 and 4 awards

The J. Douglas Hodgson Year 3 History Scholarship, prize of \$50: Gary Vanderstarren, History 88%.

The J. Douglas Hodgson Year 4 History Scholarship, prize of \$50: Tara Davies, History 82%.

The Year 3 French Award, prize of \$25: Paul Milne, French 93%.

The Year 4 French Award, prize of \$25: Lori Dunham, French 80%.

The Physical Geography Scholarship, prize of \$75: Michael Sawyer, Geography 88%.

The Geology Scholarship, prize of \$75: Jon Orpana, Geology 90%.

The Haliburton District Real Estate Board Scholarship, prize of \$100, Lori Dunham, Geography 80%.

The Mathematics and Science Award, prize of \$75, and name engraved on plaque: Robert MacLeod, Physics 90%, Chemistry 94% and Mathematics 91%.

The Drag Lake Property Owners' Association Scholarship, prize of \$50: Robert MacLeod, 88.6%.

The Arts and Science Bursary, award of \$50: Angela Googh.

The Legion Ladies' Auxiliary Scholarship for Senior Family Studies, prize of \$100, Tracey Mumford, Family Studies 80%.

The J. Douglas Hodgson Award for Drafting, prize of \$50: Peter Allore, Drafting Theory 77%, Drafting Practical 84%.

The Eagle Lake Store Award, Set of Auto Mechanics Tools: Paul Aggett, Auto Mechanics Theory 77%, Auto Mechanics Practical 84%.

The Emmerson Lumber Company Limited Award, set of electrical tools: Don Miller, Electricity Theory 83%, Electricity Practical 89%.

The M.R. Herlihey Scholarship for Machine Shop, prize of \$75: Sean Salvatori, Machine Shop Theory 86%, Machine Shop Practical 88%.

The Haliburton Legion Scholarship for Electricity, prize of \$50: Michael Parish, Electricity Theory 83%, Electricity Practical 82%.

The Haliburton Legion Scholarship for Auto Mechanics, prize of \$50: Mark Evans, Auto Mechanics Theory 79%, Auto Mechanics Practical 72%.

The Haliburton Legion Scholarship for Machine Shop, prizes of \$25 each: Mark Evans, M.S. Theory 79% and M.S. Practical 73%; Michael Smith, M.S. Theory 67% and M.S. Practical 85%.

The Northerways Limited Award, prize of \$75: Fred Agnew, Drafting Theory 77%, Drafting Practical 82%.

The Modern Electric Award, prize of \$100: Jeffrey Smith, Electricity Theory 67%, Electricity Practical 83%.

The Curry Motors Limited Award, prize of \$100: David McKay, Auto Mechanics Theory 73%, Auto Mechanics Practical 80%.

The Skyline Automotive Award, set of Auto Mechanics Tools: David McKay.

The Walkwood Limited Award.

High calling

The banquet held each October to honour the efforts and accomplishments of the person who has served as county warden for the previous eleven months, is one of the rituals of life in Haliburton County, and like all rituals, it affords certain reassurances to the participants. Chief among these is the comfort that comes to the warden from knowing that some people, at least, are aware of the price that he or she has paid in serving the public, even if the electorate for the most part, is not. For the truth seems to be that very few people who have not held a local public office have any idea of the demands the system makes on municipal politicians' time, energy and intellect. Nor do most ratepayers appear to give much thought to the importance of the political structures which the warden, reeves and local councillors prop up.

Why then would anyone want to be a municipal politician? Certainly not for the money, which barely compensates for out-of-pocket expenses, and does not begin to match the true value of the time that local politicians give up in the public interest. Not for the prestige either, since any shine there may be on a public position is quickly tarnished by the pressures and problems that go with it. And not, in all probability, because a municipal position is a stepping stone to bigger and better things either, since with very few exceptions, provincial and federal politicians come from other backgrounds and reach elected office by other routes. Why then would anybody aspire to be the reeve of a local municipality and having achieved it, accept the extra burden of serving as county warden? The answer is simply that these are people who care about their community, and who are willing to make personal sacrifices because they believe that local government has an important role to play in the life of the nation.

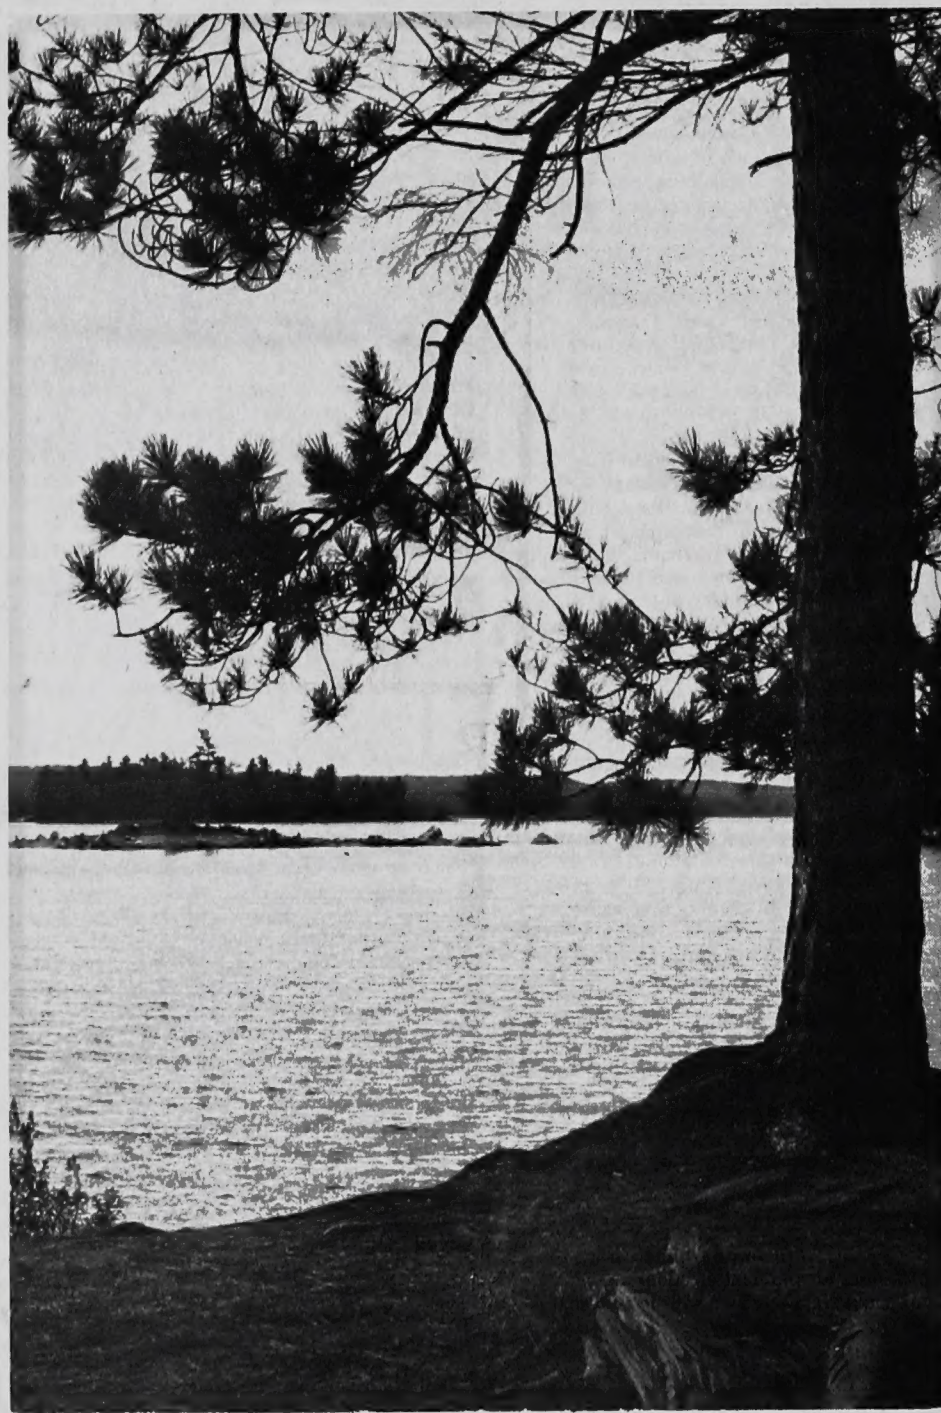

And though the tasks are sometimes lowly and the efforts unrewarded, the calling is a high one. Those who heed it are worthy of admiration, respect and gratitude.

Accolades

Elsewhere in this week's edition of the Echo there is a full report on one of the highlights of any year in Haliburton County - the annual awards night at Haliburton Highlands Secondary School. It is an evening on which some of the county's best students are honoured for their academic work, and for their contribution to other activities which enrich the life of the school. It is an occasion on which parents and relatives can savour some of the rewards of their own efforts too, in raising young people who take an interest in learning, and who work to meet their goals. It is also a night on which the generosity of the community is very much in evidence. Few schools as small as Haliburton high school can boast a scholarship and awards program that is so large and so well run. And that is an accomplishment in which every contributor can take pride.

Words

Newspapers are dedicated to the proposition that written words are important; that communities can be improved, wrongs righted and ignorance assailed by facts and opinions. And readers, as well as reporters, have a role to play in proving the truth of that proposition. Through letters to the editor, newspaper readers have an opportunity to make their views known to the community at large, and in that way can help foster a climate of ideas out of which will come positive change. So why not take a few minutes to put your thoughts about topical issues on paper? Your words can make a difference.

Letters to the Editor

Reader urges an end to hunting

To the Editor:

According to the Hunting Regulations Summary for the fall of 1984, the sport of hunting is defined as: chasing, pursuing, following after or on the trail of, searching for, shooting, shooting at, stalking or lying in wait for, worrying, molesting, taking or destroying any animal or bird.

The Webster's School and Office Dictionary describes hunting as: going after (game) so as to kill or catch as for food or sport, to search after, follow closely, pursue and chase.

I define hunting as: human cruelty, massive destructiveness, mercilessness and pure, brutal murder.

In the words of George Bernard Shaw, "When a man wants to murder a bear, a wolf or even a deer he calls it sport; when one of these creatures wants to murder a man he calls it ferocity, viciousness or crazed." It looks like today's world is plagued with a cruel double standard.

From November 5 until November 17 of 1984 the annual deer hunting season commences in the Minden and Haliburton area. Hunters from near and far will be combing our forests with their guns, guides and modern weapons hoping to destroy a fine up-standing deer who did no one any harm and who contributes to the beauty and freedom of our wilderness.

The deer is not considered an endangered species now, but their numbers have decreased significantly. Who is to say what the future holds for the deer? Primarily because of the hunter; species such as the Eskimo Curlew, the Golden Eagle, the Eastern Cougar, the Kirkland Warbler and the Peregrine Falcon have been diminished to so few that they are all now endangered species. Because of human cruelty, carelessness and greed we have actually exterminated entire species.

For what reason does the hunter kill? Is it out of necessity, because he needs the food; or in self-defense? No! Most hunters kill for the sport of it; "The Great Annual Sport of Hunting".

We have allowed the words "hunting" and "sport" to cover actions which if done under their right names would be seen for what they really are - gross violations of the rights of animals and the ethics of man. Is it too much to expect that strong men should respect the weak and helpless and those who love the outdoors should venture into it without the intent to kill?

It's time to look at the sport of hunting for what it really is. This hunting season leave your guns at home and take time to appreciate our vast wilderness; "Give the Gift of Life".

Oakville, Ontario

The poppy: symbol of remembrance

By MABEL BRANNIGAN

It seems paradoxical that a simple flower, the poppy, usually associated with sleep and forgetfulness is also the symbol of remembrance. Yet, its significance is so great that on November 4, at 2:00 p.m., Legion members will routinely put a poppy in their lapels and march to the Cairn in Minden for a service of remembrance. Again, on November 11, the same procedure will be

followed at 11:00 a.m. at the cenotaph in Haliburton. Not only will this be happening in our county, but also in many countries of the world where millions of people will gather to honour their war heroes.

While there is some disagreement of the origin of the association with the poppy and remembrance, a strong impact was made by a Canadian doctor, Dr. John McCrae, who, while waiting for

There is one place in Haliburton where you are always welcome and that is at the Community Christian Concern Centre in the old Curry House across the street from the Jasco Drug Mart. You are always welcome anytime to browse around or sit down in a comfortable chair in the lounge. If you want quiet prayer or peace, visit the little chapel.

I was sorry to hear of the death of Ezra Lott which occurred at the Civic Hospital in Peterborough on Thursday, October 18. I got to know Ezra from my visits to Extensicare/Haliburton during his time there as a resident. He was usually sitting on one of the chairs near the front entrance of the building and he would always have a smile and a wave for everyone who came through the front door. Everyone will miss Ezra Lott.

All three congregations, Ingoldsby, Lochlin and Haliburton joined together to attend the anniversary service which was held at the Haliburton United Church on Sunday, October 21 at 11:00 a.m. Rev. John James of the Haliburton Pastoral Charge was the speaker and his message was "Roots": My Methodist Heritage". A pot luck luncheon followed the service in the church basement.

I notice that some of the merchants in Haliburton and Minden are starting to get their stores decorated for the holiday season and some of the window displays look just wonderful. This all means that it may only be the end of October but that Christmas is not far off. Christmas decorations will soon be up inside most of the stores in Haliburton County.

Dorothy Robertson, reporting in the Haliburton County Home Support Services Autumn Newsletter '84, states that the Glamorgan Senior Citizens' Club continues to enjoy its Wednesday meetings which took place in the evenings during the summer months. Highlight of most of the meetings is the sing-song following supper, led by Walter Baron with his accordion and Len Smith on the piano. Unfortunately both Len and Walter will not be present during the winter months. One session was enlivened by the premiere performance of Neila Lem, singing with guitar accompaniment and ably, but unexpectedly, assisted by her small daughter. The quiltmakers travelled to Milton recently for the presentation of prizes in the Bicentennial quilt competition.

Word reached our office this week that the Haliburton cubs and beavers have leaders for the coming season but unfortunately no one up to this time has come forward to lead the scouts.

On the hockey front I see once again that Bernie Nicholls of the Los Angeles Kings of the National Hockey League is up on top of the point getters for his team. He was also the Kings' top point getter for most of last season. His brother Dave is playing with Orillia Travelways Junior Team this season along with Kevin Warburton. At last report both boys were playing good hockey and getting plenty of goals.

Our congratulations go out this week to Kitty and Wes Baker of Haliburton who will be celebrating their 65th wedding anniversary with an open house in their honour this coming Saturday, November 3, 1984 at the Royal Canadian Legion, Haliburton from 2:00 p.m. to 4:00 p.m. May we wish them many returns of the day.

Work is still continuing on the improvements to the interior of the arena at Haliburton including a larger lobby area, more dressing rooms, washrooms and showers. The work is being done by Beachli Construction Ltd. of Haliburton and should soon be completed. Electric heat is being installed throughout the building.

The one-week moose hunt was on last week and from some reports we have received from local hunters they tell us that the moose in some areas were plentiful. It seems that each party on the hunt in the area shot at least one moose while other parties shot four or five. This week is an off-week and the next two weeks the hunters will be off again for the deer hunt.

Keep in mind that this Saturday evening, November 3 at 8:00 p.m. the HAVE Committee is presenting its second annual Haliburton Artists' Variety Evening at the High School in Haliburton. Featured artists are Cathy Kinsman, Dick Stouffer, Highlands Dixie Band and Barbershop Quartet. All in all it will be top flight entertainment that you should really enjoy and the proceeds are really going to a very worthy cause.

The Rotary Club of Haliburton held their third annual meeting at North Lake Hunt Club last Thursday evening.

Once again I would like to remind all of our readers that the deadline for classified and display advertising is Monday at 5 p.m. Don't risk disappointment by submitting your advertisement too late for publication. We must have a deadline if we are going to bring the paper out on time.

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER PAGE 5

Kinmount on a Wet Day.

Pic of the Past

Pete Valentine, who is a school teacher at the Haliburton Highlands Secondary School at Haliburton, and who lives in Norland was cleaning out

the Archives in his mother's house in Norland when he ran across this picture of Kinmount, Ontario on a wet day. As you can see the C.N.R. station in the centre of the photo and the building on the right were both caught up in the flood. This photo was taken many years ago and many of our senior citizens will remember how the village of Kinmount looked at that time.

Queen's Park Report

by John Eakins, MPP

I thought constituents might like to know about some appointed commissions, what they are doing or not doing, and how much it costs our taxpayers.

The Royal Commission on the Northern Environment was originally established primarily to defuse political controversy regarding the 19,000 square mile "Reed Tract" of land for timber harvesting in North-western Ontario. It was established under the Ministry of the Environment by Order-in-Council O.C. 1900/77 on July 13, 1977 by the Premier with Mr. Justice Patrick Hartt as Commissioner. The terms of reference directed the commission are:

- To inquire into any beneficial and adverse effects on the environment...for the people of Ontario of any...major enterprise...north or generally north of the 50th parallel.
- To inquire into methods that should be used in the future to assess, evaluate and make decisions (regarding such enterprises).
- To investigate the feasibility and desirability of alternative undertakings...
- To report and make such recommendations to the Minister of the Environment from time to time...with respect to the subject matter...

An interim report was filed by Justice Hartt on

April 4, 1978 who recommended to the government that the Commission be directed to table its final report by July 1980 and that it be given a set budget.

Ed Fahlgren, a former mining executive was appointed commissioner on August 2, 1978 after the resignation of Justice Hartt. Staff members left in the fall of 1981 criticizing the commission as a "joke" which preferred endless research to contact with real northerners.

The commission has been overtaken by events. In one case the commission produced an analysis of the environment impact of The Road to Detour Lake six months after the government had approved the development in June 1981. The commission was transferred from the Ministry of the Environment to the Ministry of the Attorney-General in January 1982.

The cost of the commission to the end of March 1984 was \$10,072,806. A further \$519,100 has been committed by management board to the end of this year. The commission has missed every deadline which it set for itself for its final report (Dec. 1982, June 1983, Dec. 1983, March 1984, Sept. 1984) and still we have no final report date.

So much for commission reports and taxpayers money.

Report from Parliament

By Bill Scott M.P.

For several years now when we were in Opposition, our Party called for the release of the salaries of top executive officers of Canadian Crown Corporations. Constantly, this request was not acted upon and we were left to guess the salaries of these top officials.

On October 23, the Rt. Hon. Brian Mulroney, released to the press the income information for 22 of these Crown Corporation heads. Everyone, including the Prime Minister, was astounded at the salary levels included in that release. There is no question that we need top calibre people in these positions, but I personally have trouble justifying spending almost half a million dollars on one person. In the case of Petro-Canada, between the two top positions, we are paying salaries approaching \$1 million per year. That is

almost ten times the salary of the Prime Minister whose overall responsibilities are much greater and who is chosen by the people.

The recent appointment of the Hon. Lloyd Francis, as Ambassador to Portugal, is in line with the tradition of rewarding former Speakers of the House of Commons with government appointments. As Deputy Speaker with Madam Sauve and as Speaker after her departure, Mr. Francis served the House well.

The appointment of Stephen Lewis, as our Ambassador to the United Nations, illustrates our government's desire to restore the credibility of our Senior Public Service. We believe it is possible to reach out to the public sector and attract the most capable people regardless of their former political persuasion.

Question

By CATHERINE DENHOLM

Can you stand another leadership work-out?

Here we go again with all the hoopla of a political campaign to pick a new leader for a political party. Every newscast will carry the same words that we have heard from candidates in similar circumstances over the last couple of years.

I suppose we could look at it as a "make-work" project except it won't be the unemployed who will be getting the jobs.

All the people connected with the convention center will soon be busy. Button makers will be making buttons. Printers will be printing signs and leaflets and brochures by the hundreds. Buses will be hired. Plane tickets will be bought. Halls rented, food ordered and laundry sent out.

There will be make-up artists and speech writers and image makers working on their clients to see that they wear the best colours, have the correct hair style and say the words best suited to each location.

Then the final weekend when each candidate will enter an overheated, arena-sized hall following a well rehearsed and organized crowd of supporters putting on what will look like a spontaneous demonstration of approval. He or she will tell why they are best, the winner will be announced then all will join in a united front to start campaigning for the next election.

A few million dollars later we will be into that campaign which will cost another few million and finally there will be a new government which will raise taxes to reduce the deficit.

Poppy represents freedom

from page 4

batches of his wounded comrades to arrive, and watching the piles of dead comrades filling up burial plots, he was inspired to write the famous poem "In Flanders Fields". While the poem speaks of Flanders fields, and of poppies, the subject is a universal one -- the fear that the dead will be forgotten, and their deaths will be in vain. Canada adopted the poppy as a symbol of remembrance, and the American Legion, so impressed with the words of the poem, that they too, adopted the poppy in 1921.

The poppy is not all in the past, and it is symbolic of much more. It is alive, and thus we think of our future and of freedom. The poppy is symbolic of peace, and we are urged to promote a lasting peace, and an understanding of all mankind. The poppy is a perfect symbol of unity. Canada has its own constitution, but we lack a spirit of a common cause. We no longer share difficult things with a sense of unity. The poppy is a reminder of the need and challenge to seek out that spirit and unity which sustained our forefathers. Thus, we wear the poppy, not only to honour the 114,000 Canadian men and women killed in wars, but also to emphasize Canada's role of peace and goodwill in the world. To this, we must be devoted, and while we must honour those whose names appear on the Minden Cairn, and the Haliburton Cenotaph, our hope is that no

more names will have to be chiselled on any more cenotaphs.

In Canada, poppies are made by disabled war veterans, and the annual distribution of the poppies and wreaths is the Royal Canadian Legion's only national appeal for funds. These funds are held in trust in a separate account, and can only be used for specific purposes, for example, needy ex-service personnel, community medical research, and the many areas where you see your Legion doing service work in your own community. The Legion is the largest service club in the world.

We, at Branch 129, Haliburton, are proud to wear and to distribute poppies, as it is our sincere belief that the public appreciates the opportunity to make a tangible expression of thanks to the dead and to the disabled veterans.

Even if you are too young to remember the war, try to relate your feelings to the young people who lived, who loved, and who died to earn the peace and freedom that we all enjoy.

Let us all participate on November 11 by remembering them, and by wearing a poppy.

By ARLIN HACKMAN

It's hard to believe, but Ontario's Breeding Bird Atlas is already four years old and will finish next year. But in 1981, it looked like an almost insurmountable challenge. Yet here it is 80 per cent complete, with great progress being made during the past breeding season once again.

Though most of the survey blocks have been filled in on the provincial map, important discoveries are still flowing in at a great rate. Understandably, many come from the far north where the Atlas is breaking new ground. This year, for example, the greater scaup was confirmed to be breeding at the mouth of James Bay. New breeding locations for little gulls also turned up on the Bay and on the Winisk River.

To the south, a new pair of cinnamon teal were found at a sewage pond. Several new henslow's sparrow colonies were also sighted in the Luther Lake area and at least two new locations were added for golden eagles and one each for great egret and prothonotary warbler.

The Algonquin, North Bay and Sudbury regions now require the greatest field work next year. Overall, roughly fifty square blocks remain to be visited across the province. With the completion date approaching and the access to free flights

starting to dry up, the window afforded by the seven or eight-week peak season in 1985 is looking smaller and smaller to Atlas Coordinator Mike Cadman. But the same dedication that prompted volunteers to drive from Florida to do Atlas work in Moosonee is sure to see the project through to a successful conclusion. Still it means early planning, especially for the remote trips which will be targeted at very specific areas next summer. So if you're interested, drop a line right away.

Even if you can't travel you may be able to help from where you live. Cadman is on the lookout for breeding records for barn owls which are now considered "rare" by the Committee on the Status of Endangered Species in Canada. Direct any correspondence to: Ontario Breeding Bird Atlas, FON Conservation Centre, 355 Lesmill Road, Don Mills, Ontario, M3B 2W8.

Juniors beaten in final, football season ends

Team scores touchdown in the second half but Fenelon Falls hangs on to 7 point lead

The football season came to an end for the Haliburton high school Redmen last week, for the Juniors with a loss to Fenelon Falls in the Kawartha West title game, and for the Seniors with a loss in the consolation match against I.E. Weldon.

The Junior game was a close battle to the final whistle, with the Redmen trailing by only one touchdown.

Fenelon Falls scored two touchdowns in the first half, converting one and adding a single point on a punt to lead 14 - 0 at the half. The Redmen scored a major in the second quarter but the touchdown was nullified by a ruling of the officials.

Haliburton scored early in the third quarter after good runs by Andrew Burk and a long pass from Tom MacLeod to Jeff Popple. MacLeod then plunged in from the one-yard line to put six points on the board. Jaro Cooper was successful on the convert to leave the Redmen within striking distance. But they were unable to narrow the gap, and ended up on the short end of the 14 - 7 final score.

The Redmen's hopes were bolstered by Sandy Sutherland's recovery of two Fenelon Falls fumbles, an interception by Ian Cooper and good goal line stands by Kevin Barnhart, Brad Archer, Sean Whitfield and Allan Rydman.

Senior game

The Seniors travelled to I.E. Weldon last Thursday for a consolation match, and it was a chance for coach Gary Brohman and his assistants to call on the services of players who had not seen much field time throughout the season. Final score was 36 - 10 in favour of Weldon, who used their first string throughout the game, apparently with a view to chalking up as many points as possible.

It was the final game of their high school careers for stalwarts Rob MacLeod, Wade Woodward, Terry Hobden and Jeff Bain.

Haliburton high school's senior soccer team put on an impressive performance on Thursday to win the Kawartha West title over Fenelon Falls. Here Chris LaPorte, centre, controls the ball while his team mates hold the opposition out of the play. The team has won all of its nine games so far this year, six of them, including last Thursday's match, by shutouts.

Tom MacLeod	38 times, 22 completions - 346 yds.	

Soccer team still undefeated

Haliburton high school's senior soccer team earned the Kawartha West title last Thursday to win the season, and the team's sixth shutout.

The win came on a goal by Jeff Howe early in the second half, but Haliburton dominated much of the play, coming close on a number of well-executed passing plays.

The team earned a place in the Kawartha West match with a sudden death semi-final win over I.E. Weldon last Monday.

Lennie Johnson, Falk Fluegel and Tom Eager scored for Haliburton, while Weldon managed only a single goal in the 3 - 1 game.

The senior soccer team will now travel to Lindsay this Thursday and play in a day-long tournament which will decide the winner of the Kawartha senior soccer title.

Haliburton's Junior Redmen football team had a struggle on their hands last Friday when they met Fenelon Falls in the Kawartha West title match. The local boys played hard, but ended up on the short end of a 14 - 7 score, bringing their season to an end.

Surveyors,Emmerson Lumber open with wins

The Haliburton men's hockey league got underway at the Dysart arena Monday night with Bishop and Wilson, and Emmerson Lumber players showing that they haven't lost their scoring abilities in the off-season.

The surveyors chalked up an 8 - 2 win over Haliburton Lumber, while the Emmerson squad teamed up for an 11 - 3 win over Curry Motors.

Emmerson Lumber took a 2 - 0 lead on goals by Gary Burch and Tom Curry, but Curry Motors fought back to tie the score early in the second period on goals by Jordy Vincent and Glen Scully.

From then on it was all Emmerson Lumber, however, as the lumber team took the game away with nine more goals. Scoring were Steve Roberts with three, Kim Emmerson with two, and singles by Pat Wilson, Jim Burke, Philip Barry and Tom Curry.

Bill Johnston got Curry Motors' only goal of the third period.

In the night's other game, Bishop and Wilson took a 1 - 0 lead late in the first period on a goal by Ed Davis, then lost it early in the second period as Kevin Sisson scored for Haliburton Lumber to tie the score.

The surveyors then moved in front 2 - 1 on a marker by Rick Wood, and made it 3 - 1 as Ed Davis got his second of the night.

Joe Roberts answered for the lumbermen at the half-way point to leave the score 3 - 2.

In the third period, however, Bishop and Wilson ran away with the game, notching five unanswered goals off the sticks of Rick Wood, who got two to complete the hat trick, Scott Hammond with two and Guy Ramsay with a single.

Haliburton Novice lose close decision

By ROGER BAIN

Haliburton Novice #2 lost a close decision to Bancroft #2 on Saturday, October 27 at Haliburton.

It was a see-saw battle until Bancroft went ahead by three goals early in the third period to produce a final score of 7 - 4.

Mark Stamp and Jonathon Bishop each tallied twice for Haliburton with assists going

WINTER'S NEAR

THE HONDA PRE-SNOW SALE

IT'S A HONDA

When the winter covers the ground with snow, uncover it with the help of a Honda snowthrower. The HS55. Or HS35.

Both models feature an adjustable chute and deflector that allows you to point the snow where you want it to go. Both have a reliable Honda four-stroke engine. With oversized mufflers so the noise level won't level your neighbours.

And there's also an easy-to-get-at control panel that lets you control levers and knobs while keeping your gloves on.

Honda's bigger model, the HS55 two-stage blower, has a few extras of its own. Like a ground hugging dual-track drive system that eliminates the need for tire chains. Four speed choices, including reverse. And a weight (under 80 kg) that's lighter than most models in its class.

If you want to move some snow this winter, see the HS55 or HS35 Honda snowthrower. Then come out singing. "Let it throw, let it throw, let it throw."

THE HALIBURTON COUNTY ECHO AND MINDEN RECORDER

Gooderham News

By MARY HADLEY

The Anitque Car Club, Peterborough Branch, had a beautiful day last Saturday for their Fall Foliage Tour. Unfortunately the foliage was on the ground. About 60 gathered at Bob and Donna Madill's cottage where they were served chili, hot dogs, donuts and ice cream.

After lunch the group drove to Wig-a-mog for dinner and dance.

Earl and Olga Sherck of Purdy, who were in the group, called on me for a short visit. Olga owns a 1930 Mercury.

Other Sunday visitors were my niece and nephew, Verna and Bev, Ella and friends, Clara and Charlie Mitchell of Campbellville.

The Irondale and Gooderham men's ball teams met last Sunday at Irondale for their fourth game in the play-offs. This exciting game ended with a margin of one run for Irondale. Thus a fifth game was scheduled for Sunday, October 28 at Gooderham. Despite the rain which ended just prior to the game,

Madeline and Bob Woods of Kingston visited Mad-

eline's parents, Pearl and Albert Cary last weekend.

Ruth and Robert Madill of Clinton visited their parents, Violet Billings and Marjorie and Walter Madill over the weekend.

Our congratulations and best wishes for future health and happiness are extended to Nora Carey who celebrated her eightieth birthday last Sunday. Her family and friends gathered at the Community Centre on Sunday afternoon to honour her on this special occasion.

The final men's softball game took place in Gooderham on Sunday, October 29.

The Gooderham team managed to edge out the Irondale Whiskey Jacks in the second inning of overtime when Dan Matthews' hit brought Bill Dobson home from third base with the winning run.

The final score was 4 - 3 and the winning pitcher was Vince Billings.

Congratulations to both the men's and ladies' teams. For their efforts will be given a pot luck supper and dance to be held on November 24 at the Glamorgan Community Centre. Everyone is invited to come and celebrate with them.

Muriel and Ross Harrison, Carnarvon, celebrated their 50th wedding anniversary recently at a dinner party at PineStone Inn. Members of the immediate family were present.

Carnarvon News

By ANN McKAY

Mr. and Mrs. Jack Barnhart spent the weekend in Peterborough where their daughter Sandra, Mrs. Greg Bishop, presented them with a 9 pound, 13 ounce grandson, born on Saturday. Congratulations to parents and grandparents.

Sunday, October 21 at the Zion United Church here Mr. and Mrs. Paul Harrison had their daughter christened with Rev. Westhaver officiating. She was baptized Brandy Linette and both proud grandmothers were present, Mrs. Marg Harrison of Carnarvon and Mrs. Mary Packard of Haliburton.

Mr. Vernon Rivers and Mrs. Ernie Eastman and son Jack spent a few days in

Toronto visiting with relatives.

Mr. and Mrs. Stan Archer and Mrs. Max McKay were visitors in Lindsay on Monday.

Mrs. Elsie Bursay who was hospitalized in Toronto for a few days is home and feeling better and was in Huntsville where she was invited to attend the opening of a Salvation Army house.

I had a letter from Dorothy (Thomson) Barker of San Diego who has been feeling unwell since her visit here. She sends best wishes to her friends here. Anyone wishing to drop Dorothy a card please call 489-2924 for her address.

I would appreciate news items phoned in by Sunday afternoon. Call 489-2924.

Drop-In Centre News

By TERESA CONGDON

The next few weeks will surely be busy ones at the Drag River Municipal building. The Drop-In Centre, Home Support Office and the Information Centre will all be getting a fresh coat of paint.

November is going to be a busy month as well. On the

4th and 5th the County will be represented by Bruce Armstrong and Bruce Henry at the OACOA Senior Games Workshop. We are sure that these men will bring much information to make this year's Senior Games another success.

I would like to take this opportunity to thank all the

seniors who participated in the "Art in the hall" display. The work that was displayed in the Home Support Office and the Drop-In Centre was beautiful. Please remember that we are always looking for new pieces of art.

We will have the movie "Tootsie" at the Drop-In Centre. This is a very funny

movie starring Dustin Hoffman who dresses up as a woman and runs into many little problems. There will be a charge of \$1 to see this movie and all the proceeds will be given to the Peterborough Civic Hospital CAT Scan Fund. Isn't that a good reason to get out and see this movie?

Wilberforce News

By WINNIE SCHOFIELD

The sound of car horns on

Saturday, October 27 announced to the world that a wedding had just taken place. At the Wilberforce United Church, Gail McNeely and Michael Alden were united in marriage by Maurice Bradley. Gail, in a white gown, was attended by her matron of honour Ann Alden wearing pink and by her bridesmaids Kathy Walsh and Kathy Whitefield in rose coloured gowns. The important role of best man was taken by Michael's brother Jim Alden and that of the ushers by Robert Alden and Kevin Shaw. In attendance at the wedding were the bride's mother Sharon Shaw of Port McNichol and her father Gilbert McNeely of Toronto, also the groom's parents Ruby and Harold Alden.

Organist for the occasion was Mrs. Shackleton.

Following the wedding a reception took place at the Harcourt Community Centre. Ken Vaughan was on hand to take pictures of the group, of the lovely wedding cake and the numerous wedding gifts presented by a host of happy well wishers. Popular Doug McCrea provided music for

the dance.

Congratulations and all the best to this young couple.

On Friday evening the library staff held their annual Hallowe'en party for the local youngsters and as usual there was plenty of fun and excitement with an opportunity to dress up in costume, which could be a rehearsal for the big night of October 31. There were films, games and costume judging and treats for everyone. Many thanks to Bessie and Donna for all the work and preparation in their efforts to provide entertainment and enjoyment for the children. Thanks also to Mr. Cross for his work as costume judge.

Mrs. Joyce Packard of Harcourt was the lucky winner of the large quilt that was being raffled by the Monmouth Senior Citizens Club. Other Saturday winners were Mrs. Florence Combs who won the first grocery hamper, Margaret Jeske of Harcourt who won second and Stella Greer of Benoirs Lake who was third.

A pretty fall wedding took place at the Paudash United Church on Saturday, October 27 when Shirley Mumford of Wilberforce and Orval Johnston of Cardiff Township were joined in matrimony. Approximately 50 guests

were present and following the wedding they attended a reception held at the Sword Motel in Bancroft. Congratulations and best wishes to the happy couple.

The sympathy of the community goes out to the family and friends of Steven Elliot who was killed in a car accident this week in Wilberforce.

At the Hallowe'en party held at the Legion Hall Walter Shave won the prize for the most original costume when he came dressed as an Arab. Arnold Wessels of Belleville was judged the funniest and Pat Wessel in his ape costume was awarded the prize for the scariest.

Next Saturday, November 3 the annual poppy drive of the Legion will be taking place so get ready to welcome their representatives who will be members of the Girl Guides and Brownie Clubs. Monies from this source are used to help needy veterans and their families. Poppy chairman is Wilbur Sanderson.

On Sunday, November 4 members of Wilberforce Branch 624 Legion will attend service at St. Margaret's Anglican Church. Service begins at 9:45 a.m.

The November 11 service and ceremony will be held at the Wilberforce War Mem-

orial at 11 o'clock. Members will assemble at the fire hall at 10:30. Following the service a turkey dinner will be served at the Legion Hall where all will be welcome.

Further Legion news includes the turkey rolls being held at the Legion Hall during the hunting season, November 9 and 16 on Friday evenings. First roll is at 7:45.

There is still plenty of good clothing available in St. Margaret's Church basement. Final rummage sale is this Saturday, November 3. Bring a green garbage bag and fill it for the price of \$1. Hours 10 to 12 a.m.

Our introduction of new folk living in this area has led to the acquaintance of Mr. and Mrs. Beard who have bought the Greg Brook homestead on Earle's Road and who have spent a very pleasant summer working and planning for changes on their new home. Carolyn and Stan Beard came here from Dundas, Ontario. They are a retired couple with two grown children, a boy and a girl. They plan to spend six months here and six months in Dundas. They have played an active part in the Anglican Church, having worked for years as wardens of St. James Church in Dundas.

Please turn to Page 10

Northern Lights

from Page 8

each side, till they were golden brown, and smelling heavenly. Onto the hot plates, and covered with warm maple syrup. Now, doesn't that just make your mouth water?

My dad used to make it, when we came here to fish for a few days. He's not a bad hand at cooking either. Although he has some rather weird favourites. Like pancakes with yesterday's gravy. Ick! I'll never resolve myself to gravy in the morning. But he loves it. Also a combination of peanut butter, cocoa, and marshmallow creme on hot toast. I could get into that as a kid, but now, I'm afraid it's a bit much. All that fat food, and my dad still has a build just like Grandpa's. For some reason, those small genes seem to have skipped a generation.

Anyway, after Ed and I were married, dad and he used to come up to Cranberry Lake every now and then. And dad faithfully passed the recipe down to my husband. Ed got so he could whip up a batch of fried shredded wheat almost as good as Grandpa's. Dad also taught Ed a whole new way of making cranberry jam. In the pressure cooker. The secret being to let the steam build up just a little too long. Use your imagination. My father was the only man who could cook up a wee batch of jam, and at the same time decorate the cabin ceiling in the most gorgeous red, with pips embedded right into the wood. To this day, I've never allowed a pressure cooker in my house.

West Guilford News

By E. COOPER

Congratulations to the students of this community who were awarded honours for their previous year's efforts at high school at the Honours and Awards Night last Saturday: Karen Cook, Marion Medcalf, Andy Cooper, Ian Cooper, Lisa Jones, Karen Medcalf, Jackie Mawbey, who is also president of the Girls Athletic Association, Rodney

Sisson, Shirley Bryant and Paul Cowen. Apologies to anyone whose name is omitted.

The Recreation Committee meeting is to be held this Thursday evening, having been postponed from the usual time. I'm not sure whether the postponement had something to do with moose hunting season, but some of the committee members are known as hunters as well. The Nicholls camp and

others report fair success with this season.

Sympathy of the community to the Irie Barry family in the loss of husband and father.

The HAVE concert promises to be excellent entertainment at the high school on Saturday evening. Donations by freewill offering.

The 'Charlie Brown' musical is coming up. E. Cooper has tickets for sale. 754-2278.

**A Future for Angela . . .
A Future for the War Amps**
And when there are no more War Amputees?

A question we are asked, and we have a very good answer. Angela Craig is a member of our Child Amputee Program and wears a special myoelectric arm and hand the War Amps helped to provide. This kind of help, and the many programs we operate, will continue far into the future because when there are no longer War Amputees, we will become THE CANADIAN AMPUTEES FOUNDATION and will continue to offer children like Angela every hope for the brightest future.

Amputees helping amputees. Our legacy will live on

Irreconcilable Differences

Did you know?

By BAMBIL GILDER

Did you know...that our office has information on energy conservation for your home?

The Ministry of Housing offers a pamphlet providing a systematic plan for seven days of simple energy-saving projects. Each project can be done in about a day. With

the exception of a heating system tune-up, the projects don't require professional skills or equipment.

The total cost will range from \$350 to \$450. For the time and money invested, your fuel bill should be reduced by about 25 to 30 per cent. For the typical house, these projects should pay for themselves within two years.

People interested in improving insulation in their homes should inquire about the Canada Home Insulation Program (CHIP). It provides a taxable grant of up to \$500.

Many homeowners use this grant to insulate their attics, however it can be used for weatherization, insulation in the basement and other areas, as well as for insulated

shutters

To obtain the pamphlet "Seven days of conservation" free of charge along with applications for CHIP grant, contact your County Information Centre at 457-2733. We are located in the Drag River Municipal Building (across from Emerson Lumber) in Haliburton and our office hours are from 10 a.m. to 4:00 p.m.

Kinmount Korner

By MILLIE MOSS

Mrs. Agnes Selkirk of Toronto is visiting with daughter Jean and Bob Hollobon. Mrs. Selkirk had sent some four days in a Scarborough hospital previous to coming to daughter's home.

Congratulations to Doug Bowman and Barb Toomey who were married at Dunsford, Saturday, October 20. A reception was held at Moose Hall, Lindsay and the happy couple left on a Niagara honeymoon. Following their return they will reside in Dunsford.

Eva Peacock would like to thank everyone who phoned, sent cards and offered best wishes following her recent trip to hospital.

Results of the Galway euchar party last week: men's high: Chris Bannon, men's low: Peter Franzen, ladies' high: Shirley Yates, ladies' low: Maxine Cross and most lone hands: Pauline Franzen.

I am very pleased to report that I received a phone call just before writing this from Marlene Munro advising me that little Russell Snoddon had his surgery on his heart and chest on Thursday, October 25, at Sick Children's Hospital and came through the ordeal quite well. He was to go into Intensive Care on Friday. Get well soon Russell. Santa is just around the corner.

Mark this one on your calendar: November 3, 4:00 p.m. to 7:00 p.m. a fowl supper at Galway Hall on Galway Road off highway 121, four miles south of Kinmount. Adults: \$5.50, children under 12, \$3.50, preschoolers - free. Dance to follow starting at 9:00 p.m. Masquerade optional but there will be a prize for the best dressed man and woman. There will also be a buffet lunch. For reservations call 488-2217 - 488-2000 - 488-2456. Sponsored by the Galway Culture and Recreation Committee with all proceeds going to the "Community Centre Building Fund."

Can anyone else in Kinmount claim this title? First senior lady: Cora Jackson will be 96 in December and first senior gentleman Archie Williamson is 94. I had the pleasure of a very nice visit with Archie and his family last Thursday evening.

Another date to remember: Kinmount Legion Branch #441 Ladies' Auxiliary will be having their annual fowl supper on November 10 from 4:30 p.m. to 7:30 p.m. in the Legion Hall. Adults \$6.00, children under 12 years \$3.00 and preschoolers - free.

I hope Gladys Bowman, Win Wilson, the son of Bill and Virginia Barkwell and all you ailing people are feeling

much better soon.

My mom, Mary Pyke of Norland, suffered a nasty fall in front of her house last week. She's going to be 89 in January and think's she's 29. Mom was out digging up rosebushes and then digging soil in another big garden and "wheelbarrowing" it about 40 feet and then dumping it and levelling ground for next year. She was carrying one more pail of soil before stopping and must have stepped on a stone that rolled. She fell hard on her side and her fact hit a rock at the edge of the flowerbed. Other than having her face rearranged a little she says she's fine even though the fall knocked her out for a short while. My good old mom comes from hardy stock.

Sincere sympathy to the family and friends of Leo Rattie of Burnt River who

Please turn to Page 11

Legion News

By MABEL BRANNIGAN

At the October general meeting, Branch 129 initiated the following comrades: (ordinary) Joseph Stelmak; (associates) Sharon Wright and Barbara O'Riley. Congratulations to these comrades and to Archie Ross and Roy Fleming who were presented with golf trophies.

Comrade Cliff Dawson gave a report on the propos-

ed apartment building. Through the efforts of housing consultant, Ms. Gibson, an application was submitted by the deadline date of September 26. Application has been made for 50 units and will be a 35-year project if accepted. Zone Commander Robertson, who attended the meeting on his regular official visit, congratulated the Branch on the ingenious idea of the recent land purchase for the purpose of construct-

ing an apartment building for veterans and senior citizens.

It is hoped that there will be a good turnout to the Remembrance Service at the Cairn in Minden at 2:00 p.m. on November 4. Also, the November 11 service at the Legion will commence at the Legion at 10:00 a.m. with the march off at 10:45 and the service at the cenotaph at 11 o'clock. Dinner will be at the Branch at 2:00 p.m.

Recent branch donations included \$500 to the Haliburton Minor Hockey Association for the purchase of sweaters, and \$300 to Haliburton County Information and Referral Centre for the purpose of purchasing a typewriter.

Mrs. B. Scott was the winner of the last bingo snowball in the amount of \$176.

The next general meeting will be November 1 at 8:00

Minden News

By MAIZIE AUSTEN

The winners of last Thursday afternoon's card party were the following: lone hands, Mae Eldridge; others were: Charlotte O'Neil, Harry Wooley, Dorothy Reaman and Charles Beharrell.

Sincere sympathy to the family and friends of Margaret Cooper.

Charles Palmer visited with friends in Lindsay last week and friends in Uxbridge on Monday.

Thought for the day. Even back in grandmother's day there was something to make you sleep - they called it work.

I was talking to a couple of moose hunters last week and they say there seems to be a few deer, bear and wolves around this year. All the best on your deer hunt.

Wednesday is Hallowe'en so watch for the little hobgoblins, witches, etc. Keep Hallowe'en safe this year.

Don't forget the ladies group of Victoria and Haliburton areas exhibition of water colours, prints, pen and ink drawings, fabrics and fibres will be on exhibit starting November 1 at the Agnes Jamieson Gallery. Make an effort to get out to see our local talent.

Congratulations to Lila Silk on the birth of her new baby girl.

If I am to continue to write the Minden news you Mindennettes and Mindennites are going to have to get on the phone and give me a call at 286-3607. Thank you.

Don't forget the movies for the children at the Library/Cultural Centre on Friday, November 2 from 7:15 to 8:15. Admission is free.

Household Hint. Grease - A small amount of ammonia powder with your soap or detergent when washing the dishes, cuts the grease and is also kind to your hands. It also makes your dishes

sparkle.

The Senior Curling Club will be starting their new season November 8. New-

combers are welcome. For more information call Gladys at 286-2688.

Please turn to Page 11

Norland Natter

By KELLY GRAHAM

Well, Hallowe'en has come and gone once again. I hope you all enjoyed viewing the little tykes in their usually original, but always adorable costumes.

I am glad to see that Michael Angiers and Susan Smith, of Norland emerged unhurt from a motor accident they were involved in recently.

On Wednesday, October 24 many of the local public schools (including Lindsay) competed in a soccer tournament. The boys teams from both Cobocok and Norland advanced to the semi-finals. Friday, November 2 is the

commencement at Fenelon Falls Secondary School. The grade 12 and 13 class of last year will receive their diplomas and then attend a reception at the school and a dinner at the Country Hearth in Rosedale. Parents, relatives and friends are invited to the ceremony and reception. Congratulations to the many local graduates.

Here's a recipe for those of you who have been requesting one: Nugget Fudge Squares - ingredients: two squares unsweetened chocolate, half cup shortening, one cup sugar, two eggs slightly beaten, one teaspoon vanilla.

Please turn to Page 11

Wilberforce News

from page 9

Mrs. Beard, who has also served as church secretary, is interested in banner work which she does with machine stitching. Stan Beard makes a hobby of photography and working with stained glass. They say that they have fallen in love with their home and surroundings and are happy with the friendly and helpful neighbours they have met. We wish them many happy years ahead.

We were pleased to hear that Marilyn Cully of Tory Hill, who was a grade 10 honour student last year, was presented with a scholarship in English at the Haliburton honour and award night last week. We are proud of

Marilyn and wish her every success as she goes on to complete her education.

It is hard to believe this item of bad news concerning our minor hockey teams. Wilberforce Minor Hockey League is in a desperate situation. They are facing disaster caused by a lack of players to fill their teams. There is no novice team this year and players are needed for the tyke team with ages 5 to 6. Wilberforce has been a great hockey centre for over 50 years. The present fees are reasonable and the exercise is a good outlet for youthful energy. Secretary Sally Stoughton writes that if the response does not improve the Wilberforce Minor Hockey will be dead.

died Wednesday, October 24. Interment Fenelon Falls.

All public school girls are invited to attend a gymnastics class held at the Kinmount Community Centre each Tuesday from 4:00 p.m. to 5:00 p.m.

A ladies' exercise and volleyball class will be starting with registration on Wed-

nesday, November 7. There will be a charge of \$15 for ten lessons. Teens will be admitted half price. For further information call Eva Stender at 488-2194.

Have a safe Hallowe'en. Stay well and happy, give me a call at 488-2353 and remember: nowadays, "take home pay" just about gets you there.

Dorset News

By PHYLLIS BRISCOE
- Intended for last week -
"Never does a day begin or end that everyone doesn't have something to be thankful for."

What beautiful, balmy weather we had early last week. If it was Indian

summer we wouldn't mind that season year round. With the snow storms they have been experiencing in other areas of the country and continent we are thankful that we haven't gotten into the shovelling or snowboot stage. The trees have shed

their leaves and in some ways it is a desolate scene after the magnificence of the autumn colours. But I think we can put up with it until everything is blanketed in white. I certainly wouldn't wish to hurry the arrival of the cover-up but hope it stays

away as long as possible. A very happy birthday to Angela Berry who was nine years old on October 28. Once again we send get well wishes to Bea Seedhouse who is a patient in Huntsville Hospital. We are sorry to report that Bea had a

recurrence of her earlier problem after being home a short time and had to return to hospital. We wish her a complete and speedy recovery. Maida Stewart is recuperating at home after spending some time in Bracebridge. Please turn to Page 14

Don't forget the Thrift Shop at St. Paul's Anglican Church on Friday, November 2 from 1 p.m. to 4 p.m.

The Minden Horticultural Society will be holding their regular meeting November 6 at 7:30 p.m. in the Council Chambers. Pat Campbell

will be the guest speaker. Pat will be showing what materials to use and how to make Christmas decorations for your door.

I had a letter from my daughter Pat and she wants to say Hi to all her friends and let you all know she has a steady job.

The Minden PeeWees lost their first hockey game with Fenelon Falls last Saturday afternoon. Better luck next game boys.

We would like to wish my mother, Eva Harrison a very happy birthday on November 2.

Recipe for this week. Mac-

aroni and Shrimp Salad. 1 cup macaroni, 1 can shrimp (cut up), 1 cup celery (cut up), 1 onion (chopped), 1 apple (chopped) and mayonnaise. Cook macaroni until tender, drain and cool. Mix all ingredients except mayonnaise and chill. Just before serving, stir in may-

onnaise to taste. Hope you enjoy this. It is good cold and takes the place of a course in a meal.

That's all for this week. I hope to see you all next week. Drive with care and stay well. Have a good Hallowe'en.

ANNOUNCEMENT POLYTARP PRODUCTS

ALEX MCEACHEN

Paul Chitel, owner and chief executive officer of Polytarp Products (Alfos Products Ltd.) is pleased to announce the appointment of J. Alexander (Alex) McEachen as President and General Manager of Polytarp Products, one of Canada's major leaders in extrusion and conversion of polyethylene film.

Mr. McEachen, an eighteen-year veteran of Polytarp Products, was named Vice-President (Sales) in 1974, and has been the dominant force behind the surge of the Corporation in today's marketplace. Born in Douglas, Ontario, Mr. McEachen has been a prominent figure in the construction and building supply industry for over twenty-five years.

Polytarp Products is best known for a diversity of polyethylene-related products, including polyethylene film, garbage bags and liners, swimming pool covers and accessories, tarpaulins and paving products.

THANK YOU

I wish to thank my family and friends for the flowers, cards, prayers, and those who visited me while in the Haliburton hospital. Special thanks to Dr. Good, Abrahamse and Hayes; also the nurses and staff. Thanks again. Merle Redner 27-B-31

We would like to thank our family, friends and neighbours for all the gifts, money, flowers and cards, also the certificates from our M.P.P. and M.P. on the occasion of our 40th wedding anniversary. Special thanks to the family for the lovely lunch they prepared, and to Ken and Marj Jones for all their help and beautiful decorated cake, and to all those who called on us to make this day special. Frank and Mabel Coumb. 27-P-31

I'd like to thank everyone for their support during this trying time in my life. Love to Bill, Flo, Anne and Morris who've made me feel as one of the family. Debbie 27-P-31

EAKINS: We wish to express our appreciation for the many acts of kindness and understanding shown our family by so many friends, relatives and neighbours, municipal and other government representatives at the time of Iris' passing. We are especially grateful for the dedication of Dr. Bob Watson, Dr. Duncan Colterjohn and all staff of Ross Memorial Hospital; also Dr. Fine, Dr. Cruz, and the wonderful people of Princess Margaret Hospital.

We shall always remember the kindness of Reverend Jim Phelps and Reverend Lorne Dorsch, the good people of Queen Street United Church, The Kawartha Rebekah Lodge and the encouragement of the Lindsay Song Spinners. Also to the Mackey Funeral Home for their understanding and service. Our thanks to those special friends who remembered Iris throughout her illness and encouraged her in so many ways. John, Karen, Barry and Elaine, Jan, Dan and Sarah. 27-B-31

The family of the late Gordon R. Bennett wish to thank relatives, friends and neighbours for their thoughtfulness, flowers and donations to St. Peter's Church, Haliburton United Church and the Cancer Society. Special thanks to Rev. John James for his kindness and Dr. H. Good for his kind attention to my husband at home. Many thanks to Ann Barker and all the ladies who helped with the lovely lunch and to all the pallbearers and Monk Funeral Home. Betty Bennett & Family 27-P-31

THANK YOU

We would like to take this opportunity to thank all our friends and neighbours for their many acts of kindness and caring. For the food, visits, prayers and gifts. A special thank you to Father Thomas Palakal and Mrs. Marion Tallman for their thoughtfulness, to the people who supplied the music. Adele Barnes and the ladies of the community who provided a delicious lunch after the service. All your care and attention made the loss of our son Stephen, easier to bear. God Bless you one and all; you will always be in our prayers. The Elliott Family 27-P-31

Board of Education briefs...

A regular meeting of the Haliburton County Board of Education was held in the board office last Tuesday, October 23. Present were: Bonnie-Lee Berry, chairman of the board; Ross Anderson, Lynn Craigmyre, Kelly Crick, LeRoy Eager, Julie Hunter, Dorothy Kinsman, Linda Mumford, Cheryl Murdoch, Leonard Salvatori, Nancy Stinson, David Villard, Paul Wilson and Stuart Baker. Absent were: Brian Sisson, George Simmons and Stanley Baker. Also present were: James Milne - representing the Elementary School Teachers' Federation; Len Pizzev - Haliburton County Echo and Michael Shirley - The Times, Minden.

The board moved into Committee-of-the-Whole for the purpose of discussing: salary negotiations and transportation negotiations.

The board later rose from the Committee-of-the-Whole and reported back to the regular meeting.

Cheryl Murdoch reported on the status of the salary negotiating committee's negotiations with various employee groups.

The Haliburton County Board of Education agreed to increase the hourly rate of Teachers' Aides by 5 per cent, effective September 1, 1984.

The board also agreed to increase the hourly rate for employees who are members of CUPE Local 142, by 5 per cent for the calendar year 1984. This contract will also cover the calendar year 1985. Rates for both the first and second years are stated on the attached sheet.

An agreement with the elementary school teachers was ratified. The teachers are to receive a total compensation package of 5 per cent, of which 3.7 per cent has been added to the grid.

The board agreed to increase the kilometer rate by 4.5 per cent to 41.8 cents km. for those people who supply transportation by individual automobile for special needs children, effective September 1, 1984.

Trustees agreed to allow only the Sir Sandford Fleming College students who are participating in the academic upgrading program to travel on school buses for the duration of the course, during the 1984-1985 school year, subject to guidelines recommended by the board.

The wording of the last paragraph of Section E of the Transportation Policy statement was

changed to read: "The board shall provide a copy of its expectations for drivers regarding bus safety and procedures. The bus owner is responsible to see that each driver has read and understands this part of the board's policy. Failure to follow this policy could result in the board recommending to the owner that the driver be relieved of his/her duties."

Julie Hunter reported on behalf of the Ad Hoc Committee struck to review the services provided by support staff to each school in the county. She explained the services provided by the primary consultant, speech correctionist, vocal music teacher, psycho-educational consultant and sensory integration therapist. The cost of these services was outlined. This committee decided to ask each member of the support staff to report to the whole board at future board meetings, beginning in the month of November.

Stuart Baker, Director of Education, reported to the board about the organization of the following projects: (a) Enrichment program to be implemented by September, 1985; (b) Medication services to be implemented by September, 1985; (c) Ministry of Education study concerning services to children in the primary years.

Baker also informed the board that during the past month Jack Taylor - Board/Ministry Liaison Officer; Roger Hendron - Special Education Branch; Scott Darrach - Consultant for Community Schools have visited the area.

The director spoke about the Regional Directors' Conference. The key topic was the role of the three commissions investigating funding of schools in Ontario.

A brief report was given concerning the structuring of the C.E.D.S.S. Implementation Committee which will hold its first meeting on December 6, 1984.

Payment in the amount of \$74,560 payable to Niagara Relocatable Buildings Limited, representing payment in full for the portable complex was approved.

The Haliburton County Board of Education will pay half of the costs related to the repairs to the sewage forcemain crossing lands adjacent to the Haliburton Highlands Secondary School as outlined in the accounting sheet submitted by the Municipality of Dysart et al in August of 1984.

Children's safety a matter of thought

By SUSAN TAYLOR,
Infant Development
Consultant

This article and the ones to follow lean toward parent education and safety tips. Advice will be provided which targets at specific stages of development. As well, some suggestions to parents regarding purchasing of the safest available products for their children and/or their home will be offered.

In general, parents cannot always be there when children are exploring. This is why locks and childproof tops are important and effective preventions to accidents and poisonings. Child-resistant packaging is only one example of the progress in preventing certain types of

accidental injury to children. Parents take for granted many safety improvements in product design.

For example, child-proof caps have undoubtedly contributed to a sharp decline in the number of children fatally poisoned in the last decade. However, childproof caps provide no guarantee against accidental poisoning. So don't depend on them to keep your child out of harm - lock up your medicines.

Other examples of automatic safety protection initiated by manufacturers or the government are: 1) magnetic locks on refrigerator doors, 2) safety grills over electric fans, 3) banning the use of more than a trace of lead in house paints, 4) flame-retardant sleepwear, 5) federal safety standards that require narrower spaces

between the slats on cribs, 6) window guards to prevent falls from windows, 7) federal standards regulating the size of pacifiers to prevent choking.

All of these safety measures are "automatic" as they have been designed to offer protection even if parents or babysitters forget to keep medicines locked up or to keep toddlers away from dangerous open windows. Despite the success of such automatic protection, accidents remain the number one killer of children after the first few months of life. Such automatic preventions do not eliminate the need for parental supervision. It remains a cliché, but it still holds true - "Safety begins at home".

While it is difficult to make your home 100 per cent ac-

cident-proof, you can still reduce some of the hazards. If parents had to be knowledgeable about every potential environmental hazard and had to take action on each one, they would have little or no freedom to do anything else. It is not my intention to make accident prevention each parent's lot in life but rather to offer tangible suggestions on ways to improve safety measures in your home.

This column on child development is provided by the Infant Stimulation Program of the Haliburton, Kawartha, Pine Ridge District Health Unit. Your comments and questions regarding issues in child development are invited. Write to: Infant Stimulation, c/o The Health Unit, in Haliburton.

Coboconk News

By SHEILA LAKE

Congratulations to OPP Constable Craig Black, who is now the community services officer. Craig, who lives on the Lightning Point Road will be visiting schools in the area and in effect, will be a "good will ambassador" for the police force. Children will learn that policemen are friends and not a big bad "bogey man", waiting to pounce on you and some of the more aggressive folks will appreciate that police really wish to help them, not lock them up.

A benefit dance will be held at the community hall on Saturday, November 3 for Ed Brooke, owner of the China Shop. Dinner will be at 7 p.m. at \$20 a couple and a dance later at \$10 a couple.

A Coboconk native, Garnet Graham of Fenelon Falls has been honoured with a bi-centennial medal. Garnet was hospitalized some months ago but is out and about and is his usual jovial self again. Many young and not so young folks will remember Garnet as an entertainer with his "vip stick" magic sponges and his trick dog. Good health and happy days are wished for Garnet.

Winners in the Coboconk Seniors card games held in the community hall here are as follows - October 16: ladies euchre: Laura Irvine, 77; Ivy Boyce, 76; most lone hands, Laura Irvine, 6; consolation, Thelma Adams, 44; gents: Hilda Chynoweth, 78; Ross Faulkner, 72; most lone hands, Hilda Chynoweth, 5; consolation, Bert Adams, 42; bridge: Jack Barker, 5110; Grace Crapper, 4630; consolation, Jean Amos, 1180. October 23 winners are as follows: euchre, Greta Reeds, 77; Elva Hannivan, 75; most lone hands, Greta Reeds, 7; consolation, B. Carthright, 45; gents, Ross McCaughey, 83; Bruce Calhoun, 76; most lone hands, Ron Pearce, 5; consolation, B. Taylor, 46; bridge, Jack McNeil, 6020; Joyce Thompson, 5720; Ruth Brown, 1660. Charlie and Roslyn Cameron and friends, the Greg Love's, spent last week on vacation in Florida.

Mrs. Denna White of Calgary spent the past two weeks here with her mother, Mrs. Marles. Dr. Bill White came on Friday and all flew back to Calgary on Saturday where Mrs. Marles will spend some time. How sad that several businesses on the west side of main street suffered such damage a week ago. They all had broken windows and the

young man was picked up. He apparently had begged police for help earlier in the evening but since he had committed no crime they could do nothing.

We reached our 37th anniversary this past week, as did the Goldie McGinnis's and the Gord Timleck's! Our weddings were the same week back in 1947.

Mrs. Frances Nesbitt accompanied her sons Norm of Lindsay and Ron of St. Thomas to Oshawa on Wednesday to celebrate the first birthday of her newest granddaughter, daughter of Ed and Rose.

Several of the local horse lovers attended the big Carson sales barn at Listowel on Wednesday where a big sale of Belgian horses was held.

Edna Richardson is home again after surgery in Ross Memorial Hospital.

Adam and Jean Carl of Sunderland were visitors of Ben and Ethel Farrow last week.

Mr. and Mrs. Calvin Valliers of Berrin Springs, Michigan and her mother, Mrs. Gladys Vance of Oshawa visited Ruth Enlick and Clara last week.

Congratulations to Mr. and Mrs. Vaughan Richardson (nee Mary Ann Chynoweth) who were married in the Anglican Church here on October 20.

hospital. We wish her the best and hope she will soon be back to a state of good health.

Recent visitors at the home of Jack and Mildred Park were old-time friends Ed and Eleanor McDonald, their son Doug and his girlfriend Patty, all of Midland.

The Dorset Senior Club had a pleasant evening last week when Frank and Emma Shneider showed slides of their recent holiday through Europe which included attending the Passion Play at Oberammergau. The scenes were all beautiful but they explained that seeing pictures of the play were a far cry from seeing it in person. Gwen and Ralph had also taken a trip through Europe

early this summer and had more or less been in the same areas but had also been in Italy and Spain, so their slides of the two latter countries were also shown. All of the scenery was beautiful with rivers, mountains, castles, cities and the various well-known points of interest in each country and city. Everyone enjoyed and experienced a vicarious pleasure seeing other countries through the eyes of their friends.

It will be time before long for ghosts and goblins to come knocking on your door wanting treats, so be prepared. On Wednesday, October 31 the Dorset Lions will host their annual party for the little ones at 7 p.m. at the Dorset school. So moms, get your sewing kits out and your imaginations working, conjuring up something original for the youngsters to wear and maybe they will win a prize. Fun, games, prizes and treats are planned for all. The party will be under the capable supervision of Jim Speers.

H.H. If you are putting your garden tools away for the winter and want to clean the rust off, rub them with a piece of soap-filled steel-wool dipped in kerosene or turpentine. It will do the trick.

By PHYLLIS BRISCOE

"To thine own self be true -- thou canst not then be false to any man."

We hear of a great many lucky moose hunters. I am sure that with the amount of meat there is on a moose that it will cut down on the grocery bills as well as being a treat for the palate of those fortunate enough to have corralled some of the delicious meat. It is quieter than ever in the village with the men all away at the hunt camps.

I was remiss in not reminding everyone that the time change would be last Sunday. But I am sure that most would set their clocks back and not be an hour early for church. I'm never sure whether we gain an hour or lose one but I guess we did have an extra hour to sleep Sunday morning, but it will take a while to adjust.

Phyllis McKey of Huntsville was in Dorset last week and visited for a few days with Shirley Kaye on Paint Lake.

Some of the local people that took advantage of the trip on the Hammond Bus Lines to Nashville, Tennessee and the Grand Ole Opry can't say enough in praise of the efficiency with which the trou was run. They had an

excellent and courteous driver and tour guide, they were kept busy but missed nothing of interest in the area. They would recommend the trip and the company who runs the bus line wholeheartedly.

There was a meeting last week open to the public regarding the fact that the Dorset school is a candidate for closure due to the small attendance. The meeting was well attended by concerned citizens. There was much constructive discussion of the issues and many new ideas were addressed. There is a strong, organized public support within the community for the Dorset school. Outstanding Dorset school petitions may be dropped off at boxes at Claytons and Robinsons. I did not attend the meeting but the above report was given to me.

I had a visitor last week in the person of Vivian Curnow,

wife of Herb Curnow who was administrative superintendent at the Frost Centre for many years where they lived with their family. They now live near Gooderham at Bark Lake where Herb was transferred to. Vivian has just returned from a European trip with Christian Tours where they visited many countries which included England, Holland, Germany, Bavaria, Austria, Switzerland, France and Italy. The highlight of the tour was the Passion Play at Oberammergau. We have also heard this from other sources that you don't feel that you are watching a play but are actually

witnessing the crucifixion. A realistic, magnificent spectacle. Libby Porth was also on the trip and was equally enthusiastic. As much as the mountains, palaces and beautiful scenery was enjoyed each one says they are happy to be back at home in Canada with its wide open spaces and would not care to live in the crowded cities of Europe.

H.H. Certificates, licences and other valuable papers store neatly and remain in good condition, if rolled an inserted inside the tube found in paper towelling. Place a label on the outside for identification.

The Echo Real Estate has it all
